SHADE VARIATION

Los diseños pueden variar entre piezas de la misma caja. Verificar la clasificación de Variación de Tono (VT) para evitar inconvenientes.
Pattern on each piece may vary within the same box. Verify shade variation (VT) to avoid inconvenience.

V0 Apariencia muy uniforme: Piezas de color y textura uniforme.
Very uniform appearance: Pieces of the same shade value are very uniform texture.

V1 Apariencia Uniforme: Diferencias mínimas entre piezas de una misma caja.
Uniform appearance: Differences among pieces from the same boxes are minimal.

V2 Pequeña variación: Se distingue pequeñas variaciones en el diseño pero con colores similares.
Slight variation: Clearly distinguishable differences in pattern within similar colors.

V3 Moderada Variación: El color y diseño entre piezas varía significativamente. Se recomienda ver todas las caras de las piezas antes de la selección.
Moderate variation: The color and pattern on each piece may vary significantly. It is recommended to review the range of faces before selection.

V4 Alta Variación: Color y texturas totalmente diferentes entre pieza y pieza. Se recomienda ver todas caras de las piezas antes de la selección.
Substantial variation: Random color and texture differences from tile to tile. It is recommended to review the range of faces before selection.

Los colores de los productos de este catálogo pueden presentar variaciones en relación a los productos originales.
The color of the designs in this catalog may vary in relation to the original products.

Diseño es vida,
vida es tu hogar.
